WHAT IS A TITLE I SCHOOL?

Title I (as part of the Elementary and Secondary Education Act) is the largest federal assistance program for our nation's schools. The goal of Title I is to provide a high-quality education for every child. This program provides extra support to students who need it most.

- The federal government provides funding to states.
- **States send money to school districts based on the numbers of low-income families.**
- Title I serves children through schoolwide programs and targeted assistance programs. Programs generally offer smaller classes, additional teachers and assistants, additional training for school staff, extra time for instruction, a variety of teaching methods and materials, counseling and mentoring, and/or career and college awareness.

WHAT IS A TITLE I SCHOOL?

Schools in which children from low-income families make up at least 40 percent of enrollment are eligible to use Title I funds for school-wide programs that serve all children in the school. Our sponsor, Horry County School District, requires at least a minimum of 70% (or above) free/reduced lunch to qualify for school-wide Title I funds.
